HOW TO REGISTER

Schools will have registration packets available during and after the ECE open houses. All forms must be completed and returned to the school with the following items:

- A copy of the child's birth certificate
- Proof of residency
- The child's immunization records
- The \$75 registration fee

ECE IS LOCATED IN 6 OPS ELEMENTARY SCHOOLS!

OPSF's full-day ECE program is located in the student's home school and is curriculum-based so that children can have academic, social and emotional opportunities as they begin their learning journeys. Before-school and after-school childcare is also available to ECE program participants.

IS YOUR CHILD READY?

In order to be eligible for ECE, children must be:

- 4 years old by the first day of school
- Able to nap or rest for 1 hour and 45 minutes per day
- Potty trained

Spots in each classroom are limited, so register now!

Priority is given to children with siblings who attend the same school and to children who live in the school's home attendance area. A random selection process will be used to fill any remaining spaces. **If your child is selected to attend an ECE program, you will be notified beginning the week of March 16th.**
