Cleaning Supplies: Please note!

- ❖ As a district, we are committed to the safe and responsible return to school. Sufficient hand sanitizer, disinfectant wipes, and hand soap ARE being provided to the school. Any donation of these items are appreciated but not necessary for us to keep your children safe!

BACKPACKS: Please note!

- ❖ Because of limited locker space, backpacks cannot have rollers or exceed 11” in width. (The student lockers are only 11” deep and 12” wide with a door opening of 9 ¾ “).
- ❖ We cannot allow students to leave their backpacks in the hallway due to fire code.
